

BASELIOS POULOSE II CATHOLIC COLEGE, PIRAVOM

IIC ID - [IC202426127](#)

Activity Title – One Day Workshop on Disaster Management

Date – 30-7-2026, 10.00 am to 3.45 pm.

Venue – Seminar Hall, BPC College, Piravom

Mode – Offline

Organized by - Institution's Innovation Council (IIC), Department of Computer Applications and Department of Business Administration, Baslios Poulouse II Catholicose College, Piravom.

1. Objective of the Programme

- Create awareness among students regarding various natural and man-made disasters.
- Familiarize participants with disaster preparedness, mitigation, response, and recovery strategies.
- Provide practical knowledge on emergency response techniques and disaster risk reduction.
- Develop leadership, teamwork, and decision-making skills during emergencies.
- Introduce students to the role and functioning of the National Disaster Response Force (NDRF).
- Encourage community participation and disaster resilience.

2. Session Flow

The programme commenced with the welcome and inaugural address of **Principal Major Dr. Sushan P.K.** It was followed by the technical session of the team commander **Inspector Arun Kumar Chauhan** of NDRF. Next **Sub Inspector Ram Babu** gave an overview of various disasters and disaster management. It was followed by the demonstration sessions led by **Instructors Akhil K, Harikumar J, Pravith P.T, Varsha C.V, Seetha M and Saithalavi.** The objectives of the workshop and the significance of disaster management in safeguarding lives and property were explained. The workshop was concluded with the feedback of the students and vote of thanks by **Prof. (Dr.) Jeeva Jose.**

3. Summary of the Activity

Technical Session I

Inspector **Arun Kumar Chauhan**, Team Commander, National Disaster Response Force (NDRF), delivered an informative session on the following topics.

- Introduction to Disaster Management
- Types of disasters in India
- Disaster preparedness and prevention
- Early warning systems
- Role of NDRF during emergencies
- Community participation in disaster response

The session included real-life examples from disaster rescue operations conducted by the NDRF, providing valuable insights into emergency management.

Technical Session II

The second session focused on practical aspects including the following topics.

- Basic first aid techniques
- Search and rescue operations
- Safe evacuation procedures
- Fire safety measures
- Flood and earthquake preparedness
- Personal safety during disasters

Practical Demonstration

The NDRF team demonstrated the following.

- Emergency rescue procedures

- Proper use of rescue equipment
- Victim evacuation methods
- Emergency communication practices
- Safety protocols during various disaster situations

Students and faculty members were encouraged to participate in the demonstrations, making the session highly interactive.

Valedictory Session

The programme concluded with a vote of thanks, appreciating the valuable contribution of the NDRF team in enhancing disaster awareness among the participants.

4. Outcomes Achieved

- Enhanced awareness of disaster preparedness and disaster risk reduction.
- Improved understanding of the roles and responsibilities of NDRF.
- Hands-on exposure to emergency rescue and evacuation procedures.
- Development of leadership, teamwork, and crisis management skills.
- Increased confidence in responding to emergency situations.
- Better understanding of first aid and personal safety practices.
- Strengthened collaboration between educational institutions and disaster response agencies.
- Encouraged students to participate in community disaster preparedness initiatives.

5. Feedback Summary

Participants expressed highly positive feedback regarding the programme. Representative feedback received from participants included.

- "The practical demonstrations by the NDRF team were highly informative and helped us understand emergency response techniques effectively."
- "The workshop increased our confidence in handling disaster situations and highlighted the importance of preparedness."
- "The real-life experiences shared by the resource person made the sessions engaging, interactive, and inspiring."
